Bleed area

Anything in this area will be trimmed off. Remember to extend any colouring or images into this area to avoid white lines appearing during the print finishing process.

Trim

Your job will be cut on the solid pink line - any images or text within the grey area could potentially be trimmed off incorrectly.

Safe area

Keep all your information inside the white area. Be sure to use high resolution images (300dpi) for the best results.

Crease/Fold

Shows where your leaflet will be folded.
