(page 5)

## Bleed area

Anything in this area will be trimmed off. Remember to extend any colouring or images into this area to avoid white lines appearing during the print finishing process.

## Trim

Your job will be cut on the solid pink line - any images or text within the grey area could potentially be trimmed off incorrectly.

## Safe area

Keep all your information inside the white area. Be sure to use high resolution images (300dpi) for the best results.

## Crease/Fold

Shows where your leaflet will be folded.
