

Readme – Booklets Templates

- Select the template according to the size and orientation of your finished booklet
- The content for booklets is uploaded in individual page format (not spread).
- Duplicate page 2 in the template as many times as required.
- The first page and the last page will be the cover of your booklet
- Your upload file must contain the exact number of pages specified.
- Example: if you specify 12 pages, your upload file must contain 12 pages exactly, page 1 and page 12 will be the outer cover pages.
